

Anti-Slavery and Human Trafficking Statement

Introduction from the board

We are committed to improving our practices to combat slavery and human trafficking.

Organisations Structure

Siteserv Recycling Limited is a total waste management company operating in the UK; mainly within the North West of England and South Wales with our Head Office situated in South Wales.

Our Business

Siteserv Recycling Limited obtains recyclable and non-recyclable products from its clients before sorting and baling these materials for distribution. As well as the operational team, there is a support and administrative function.

Our Supply Chains

Our supply chains include sourcing the recyclable and non-recyclable material. We have zero tolerance to slavery and human trafficking.

Our Policies on Slavery and Human Trafficking

We are committed to ensuring that there is no modern slavery or human trafficking in any part of our business and in so far as possible to requiring our suppliers hold similar ethos.

Due Diligence Processes for Slavery and Human Trafficking

We have in place a policy to protect whistle blowers who highlight to us any risk of slavery or human trafficking within our business.

Training

To ensure a high level of understanding of the risks of modern slavery and human trafficking in our supply chains and our business, we aim to develop training for our staff.

Further Steps

Following a review of the effectiveness of the steps we have taken to ensure that there is no slavery or human trafficking in our business, we intend to look to develop a specific policy for inclusion in our existing business policies and to share this with our supply chain and impress upon our supply chain and need to adopt a similar policy.

This statement is made pursuant to section 54(1) of the Modern Slavery Act 2015 and constitutes our slavery and human trafficking for the financial year ending 31 January 2017.
